ISLAMIC REMINDER

Do Not Cause Regret in Your Gatherings

USTADZ SHADY MOHAB

Assalam Alaikum wa Rahmatullah wa Barakatuh
Dear Parents and Students,

In our lives, whether we gather for socializing, business, or other objectives, it's essential to remember that as Muslims, our practices and behaviors set us apart. We should strive to be good examples in all aspects of our lives, even during our normal activities. This includes incorporating the remembrance of Allah and sending blessings upon the Prophet Muhammad ﷺ into our gatherings.

The Prophet Muhammad ﷺ said:

"No people gather in a sitting in which they do not remember Allah, nor send Salat upon their Prophet, except it will be a cause of regret for them. If He wills, He will punish them, and if He wills, He will forgive them."

At-Tirmidhi: Authentic]

This means that if we gather without remembering Allah or sending blessings on the Prophet ﷺ, we may miss out on valuable rewards and could feel regret later.

To avoid this, we should make a habit of including the remembrance of Allah and sending blessings on the Prophet ﷺ in our gatherings. Additionally, the Prophet ﷺ taught us a special supplication to say at the end of our meetings to seek forgiveness for any mistakes or idle talk that might have occurred:

*"Subhanaka Allahumma wa bihamdika, ash-hadu alla ilaha illa Anta, astaghfiruka wa atubu ilayk"
(Glory is to You, O Allah, and praise is to You. I bear witness that there is no deity except You;
I seek Your forgiveness and repent to You).*

[At-Tirmidhi: Authentic]

By saying this, we ask Allah to forgive any sins that might have happened during the gathering, making it a form of remembrance of Allah and a way to cleanse our hearts. These teachings remind us that our gatherings should be filled with the remembrance of Allah and should end with seeking His forgiveness. This simple practice ensures that our time together is blessed and that we avoid the regret mentioned in the hadith.

As Muslims, we must ensure that our gatherings reflect our commitment to Islamic values and serve as a reminder of our faith. Even in our everyday interactions and meetings, integrating the remembrance of Allah and sending blessings upon the Prophet ﷺ enhances the spiritual quality of our interactions and upholds our identity as Muslims.

EARLY CHILDHOOD

"In every conceivable manner, the family is a link to our past, a bridge to our future."

This month, we dive into the theme of "My Inner Circle," where our young learners will explore the concepts of family, friendship, and the connections that make up their personal worlds. Through engaging activities, the children will gain a deeper understanding of different types of families and friendships. They will embark on an exciting project where they create their own personal timelines, discovering who came before them in their families and where they fit into these timelines. Alongside these explorations, the children will learn about shapes, using various materials and movements to bring these concepts to life. Our teachers will also enhance their skills by delving into the concept of learning through play, ensuring that the month is both educational and fun!
